

Teacher Checklist for Clever Schools

First 30-60 days

[Create](#) a NoRedInk teacher account or [log in](#).

Review [these directions](#) to support students as they log in through Clever.

Check out the [Training page](#) for professional development resources.

Find relevant content for your students using the [Assignment Library](#).

Create an assignment for your students to complete.

Improve your students' writing skills by ensuring you're assigning at least 2 practice topics each week.

Middle of the Year

Keep an eye out for webinars that highlight the concepts or features you're excited about.

Try out a [Quick Write](#) or [Guided Draft](#) with your students.

Monitor student progress by checking your [Mastery tab](#).

Conference with your students about their writing successes and set goals for growth.

End of the Year

Celebrate growth and [engagement](#) with students. Present certificates that honor their accomplishments this year.

Plan for next school year by saving the resources you've created this year.
